AND SAVE

With A Pre-Season Appraisal From Wickham Flower & Co

\$499 + GST (TRAVEL INCLUDED)
(\$538.00 inc GST)

- Harvester to be clean prior to inspection, to avoid any extra charges.

What Will You Get For Your Money:

- A factory trained technician will travel out to your machine and carry out the specialised pre-season harvester appraisal.
- You will receive a detailed written report of all parts and estimated labour required to get your combine harvester ready for next season

The Offer:

- Have your combine harvester pre-season booked asap.
- Have the work carried out before September.
- One off payment for your parts and labour 60 days from date of invoice.
- Spend \$2,500 (ex GST) or more on genuine John Deere harvester parts and dealership labour combined and have the appraisal cost refunded.
