

PARTS UPDATE

Bordertown
October

The parts departments in Bordertown have taken on a bunch of new products . Thanks to the suppliers below we are able to bring some new and exiting items in this flyer.

Consolidated Bearing Company and Wickham Flower have been partners in the field for more than 20 years. We have been able to bring to you high quality, dependable products for any bearing or power transmission situation.

TJM has been a respected name in the 4WD industry for many years. At Wickham Flower, 4 wheel drives are our bread and butter. We have recently put in a range of TJM recovery and recreational products. Come in to the vehicle branch and check them out. It's time to start thinking about Christmas! Wickham Flower has you covered with a selection of John Deere merchandise.

With the help of Agelec in Mount Barker, we once again have the KETT RICETER grain moisture meters. Turn to page 4 for more information.

JOHN DEERE

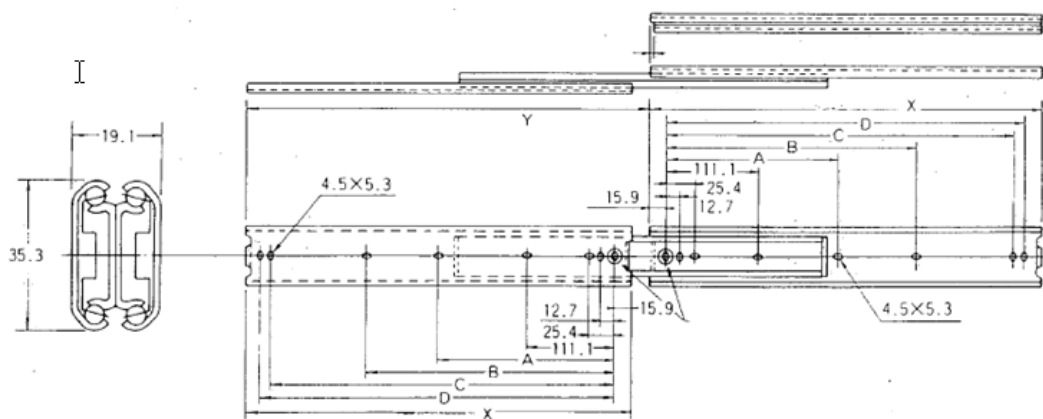

FYH LINEAR SLIDES

-IN STOCK-

We have in stock at the AG branch a selection of FYH Linear Slides. These have a huge amount of uses including roller draw slides, fridge slides, or tool-box slides. They come in sizes ranging from (closed length) 305mm to 711mm.

On the table below you can see what each size will extend out to. They are extremely durable and built solid. The weight range on the chart below is for a pair. They can also be mounted on their side (vertically) but the weight rating goes down to a third of original. Each side of the slide has mounting holes pre drilled to make it easy to attach them.

AGELEC

IT'S BACK!

Kett Riceter F-508

Thanks to AGELEC in Mount Barker, Wickham Flower is able to bring you the ever reliable KETT RICETER F-508. The F-508 has evolved slightly over the years to become one of the best grain moisture meters on the market. Measurable commodities on this model are wheat, barley, oats, sorghum, coriander, canola, faba bean, mung bean, soybean, sunflower and peas. All crop types are able to be individually calibrated to give you the most accurate results. All parts are replaceable, even the tray. We also keep the tray in stock if you have lost or broken your old one. If you are quick we have a few left at last years price.
